

SUMMER CAMP

(June 28 to July 28, 2021)

WHY CHOOSING OUR SUMMER CAMP?

- Montessori Village Summer Camp is for **children aged 3 to 7 years** who want to have fun and learn during the summer in a respectful environment.
- Children are welcome to our school where we will carry out different activities and workshops to awaken the creativity, curiosity and desire to learn.
- Our activities have mixed age groups, in a trilingual environment (english - catalan - spanish) always following the **Montessori philosophy**
- We complement the activities with a weekly day trip
- We look after our children and families, giving them feedback on a daily basis. There are many families to whom we offer immediate communication about how their children are in the camp and we adapt to the particular needs of families as much as possible.

OUR SCHOOL

The school where the Summer Camp takes place, is in C/Verdaguer, 6 in Alella. This has beautiful outdoor spaces where we will go out with the children every day to do various activities and games.

We have our own kitchen with a **healthy menu**, rich in fruit and vegetables, without processed food or added sugars.*

In addition, we have spacious classrooms and spaces destined exclusively for the camp, where the workshops and activities we have programmed will take place: outdoor Montessori environment, outdoor space, vegetable garden and dining room.

* The lunch service depends on the measures dictated by the Department of Education of the Generalitat de Catalunya because of the COVID-19
